Education for Life ...

Pathfinder Academy

About Us

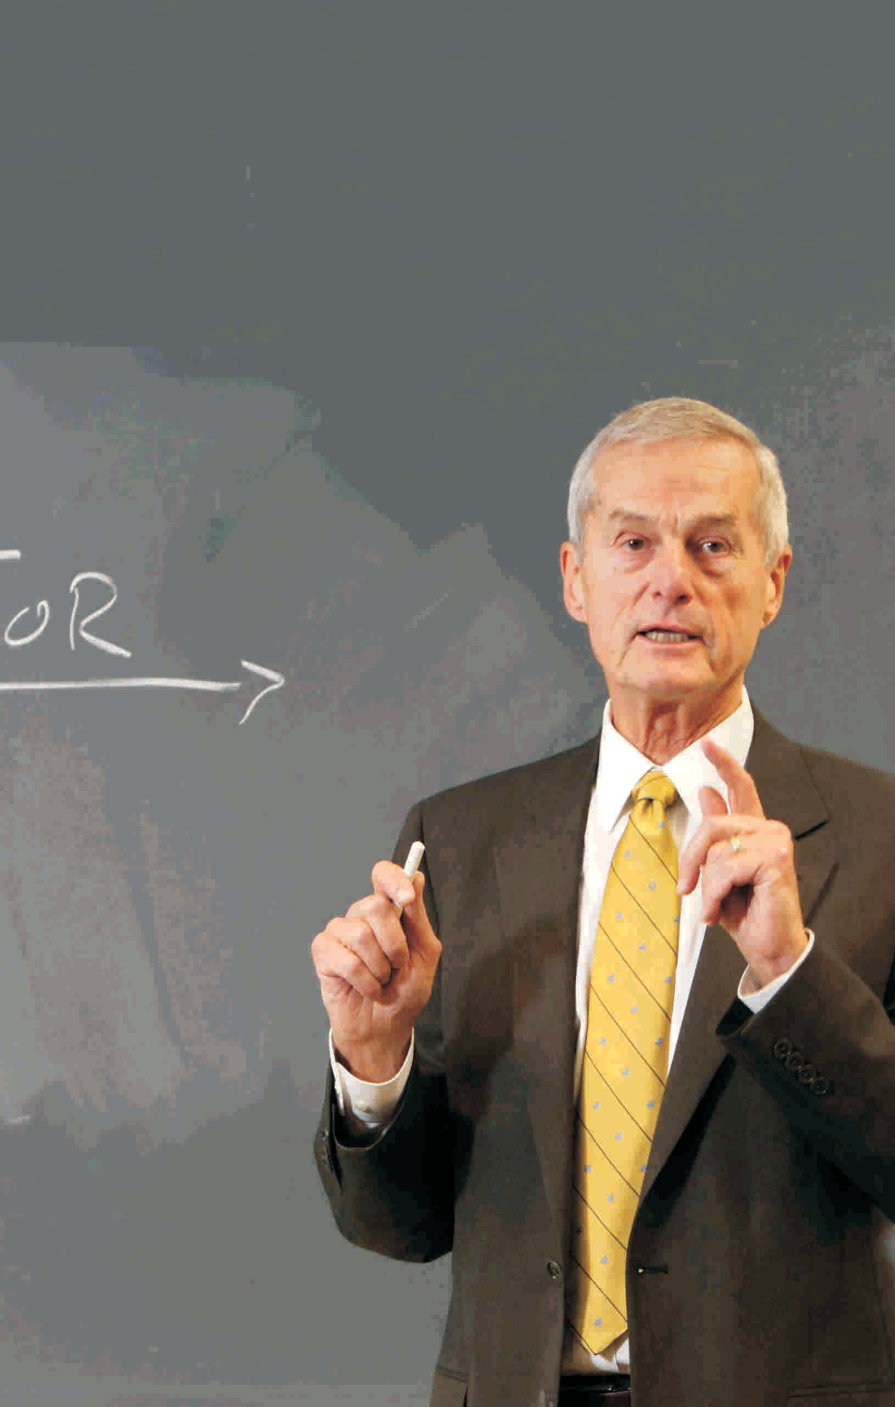

The aim of this information booklet is to show you who we are and what we do. The Pathfinder Academy was founded in year 2003, with the vision and toil of Pranav Kumar, scholar from JNU, New Delhi and former faculty, Department of Biotechnology, Jamia Millia Islamia, New Delhi, to provide an invaluable opportunity for those brains who aspire for distinguished career in the field of biotechnology and life sciences.

It is his vision that has made the Pathfinder Academy a pioneer institute in India that imparts coaching for M.Sc. Biotechnology and Life Sciences entrance examinations and CSIR-JRF-NET/GATE for admissions in the leading institutes of higher learning with well-founded base as well as extended and updated information of fundamentals.

At the Pathfinder Academy, you will find a very powerful and innovative teaching system that can help you unfold your potential systematically to achieve higher standards. You will have the right mix of theoretical classes with microscopic details to develop comprehensive understanding of concepts and their applications blended with periodic tests to cultivate proper examination temperament as well as competitiveness. We enable students to transform their aspirations into their achievements. Our rigorous training methodologies prepare you to give your best in examinations.

We invite you to explore further, meet our faculties and students and experience the Pathfinder Academy difference! You will get the guidance, support and inspiration that you need to reach the peak of your career.

... Innovation is our tradition. Be a part of it.

...I want to learn from the very best !

Our Esteemed Faculties

The higher you aim, the more you need to build competitive skill and expertise. Pathfinder Academy, the leader in M.Sc. Biotech and CSIR-JRF-NET/GATE/DBT/ICMR training, has a team of skilled and professional faculties who stimulate, motivate, guide, direct, test and evaluate your learning.

Pranav Kumar, Director

Ph.D, JNU, New Delhi
Former faculty, Dept. of Biotechnology,
Jamia Millia Islamia, New Delhi

D.K. Singh

Ph.D, Delhi University, New Delhi
Faculty of Life Sciences

Dr. Neeraj Tiwari

AIIMS, New Delhi
Faculty of Life Sciences

Shashi Prakash Singh

B.Tech, IIT-Roorkee
Faculty of Chemistry

Kapil Sexena

Ph.D, IIT Delhi
Faculty of Physics

Ram Mohan Pandey

M.Sc., IIT Roorkee
Faculty of Mathematics

About

Classroom Contact Programme

Our regular classroom contact programme is highly comprehensive and unique. This programme will offer you the right mix of classes, problem solving and doubt sessions supplemented with in-depth, thoroughly revised study materials. This will help you develop holistic understanding of concepts and their applications. You will be given periodic tests which will be supplemented by test analysis sessions. This will not only give you a feedback but also develop the examination temperament.

Commencement of programme

Regular programme: 2nd July (10 AM to 2 PM)

Weekend programme: 15th June

Completion of course

Regular programme: Last week of February

Weekend programme: Last week of April

Duration and time of classes

Regular programme: Classes will be held 5/6 days in a week for 4/5 hours.

Weekend programme: Classes will be held 2 days in a week (Saturday and Sunday) for 4/5 hours.

Provision of tests

Regular programme: Bimonthly (objective patterns)

Weekend programme: Monthly (objective patterns)

Fee : ₹ 45,000/- (Including service tax)

Correspondence Programme

Our correspondence programme is very comprehensive in context and treatment. Study materials are specially designed to provide you strong competencies on subjects and develop confidence in basics, problem solving skills and a competitive advantage.
